

About the AIEM-P :

Asansol Institute of Engineering and Management-Polytechnic, Located near Kalipahari More has been founded by education lovers to fill a gap in private diploma level engineering colleges in and around the West Bengal-Jharkhand belt, with an aim to make good quality education accessible to students by means of a student-oriented institute, which has been started journey from June 2015.

Our highly experienced faculties, aided by state of the art facilities in laboratories and classrooms are dedicated towards helping pupils achieve their true potential, and AIEM-P has already gained a reputation for being academically sound. Students are motivated to strengthen their strengths and work on their weaknesses together with the academic staff. With a great classroom experience, individual attention, along with the use of digital tools and notes, our students do not feel the need for private tuitions.
